

- ✓ Improve Naval Station Norfolk's base access while also providing traffic relief to Terminal Boulevard, Hampton Boulevard and surrounding roadways
- ✓ Support the Navy's mobilization capability and provide for the efficient movement of personnel and materials for national defense
- ✓ Improve the Navy's emergency readiness for base evacuations and other national security events
- ✓ Connect the Naval Station's residences and facilities in the Camp Allen area directly to the Intermodal Connector for improved access to I-564, entrance gates 5 and 6, and Hampton Boulevard
- ✓ Construction of 0.29 miles of new bi-directional roadway, with widening and intersection improvements to Ingersol Avenue

## Estimated Cost

**Total Cost: \$109 million**

Engineering of Roadway Plans: **\$6.8 million**
