Dear Mr. Walton:

On August 30, 2012, FHWA received VDOT's letter requesting that FHWA issue a Finding of No Significant Impact (FONSI) for revisions to the approved alignment for Interstate 73 known as the Henry County Alternative, Modified. We have reviewed the letter and its supporting documentation, reviewed our records, requested additional information, and had subsequent discussions with your staff. Based on that effort, we have issued a FONSI, which is attached. Please make a copy of the FONSI available in accordance with 23 CFR 771.121(b). If you have any questions, please contact me at (804) 775-3357.

Sincerely,

Irene Rico
Division Administrator
